

The observance of the General Data Protection Regulation (GDPR) | of the German Data Protection Act (BDSG) is for us a matter of course. Our technical and organizational measures comply with the statutory data-protection regulations. Please read our data protection declaration in alphabetic order.

**Responsible party:** Managing Director Volker Thum, BDLI e.V. Friedrichstr.60, 10117 Berlin, Germany

**Changes to our data protection declaration:** We reserve the right to adapt our security and data-protection measures if this becomes necessary owing to technical developments. Please therefore take note of the current version of our data protection declaration. If you do not consent to the conditions of this data protection declaration or any amended version of it, your sole remedy is to discontinue use of our website.

**Children and youths:** Persons under 18 years of age should disclose no personal data to us without the consent of their parents or guardians. We collect no data from minors knowingly.

**Collection of access data and log files:** We and/or our hosting provider collect data regarding each access of the server on which this service is hosted (called server log files) on the basis of our rightful interests, in accordance with Art. 6 Para. 1 lit. f. GDPR. The access data include the name of the accessed webpage, the file, the date and time of day of the retrieval, the transferred data quantity, notification of successful retrieval, the browser type and version, the user's operating system, the referrer URL (the previously visited website), the IP address and the querying provider. For security reasons (e.g., for the detection of misuse or fraud), log file information is stored for a maximum of seven days and then deleted. Data whose longer retention is required for evidence purposes shall be accepted from the deletion until the respective event has been definitively clarified.

**Cookies:** When you visit our website, we may store information on your computer in the form of a cookie. No personal user data will be stored, only the IP address. Of course, you can also view our website without using cookies. If you would not like for us to be able to recognize your computer, you can prevent the storage of cookies on your hard disk by selecting "accept no cookies" in your browser settings. To find out how this functions, please consult the instructional manual provided by your browser's manufacturer.

**Compliance:** Accepting invitations or gifts is consistent with applicable laws. Please note the compliance rules of your company / authority; if necessary, a service permit from the guest or gift recipient must be obtained. This should be done prior to the acceptance of the invitation or gift.

**Contracted data processing:** In general, we are the party responsible for the processing of your information; in conjunction with certain events or services, service providers are commissioned to provide processing services for the information. These providers have been obligated through a data-protection-compliant contracted data-processing agreement.

**Data:** During the usage of our Internet site, for organizational and technical reasons, the following data shall be stored: the names of the retrieved pages, the browser and operating system used, the date and time of day of the access, the search engines used, the names of any downloaded files and your IP address. We shall evaluate these technical data anonymously and solely for statistical purposes in order to constantly continue to optimize our Internet site. These anonymous data shall be stored separately from personal information on secure systems and permit no individual personal inferences to be made.

**Data transmission to third countries:** We conclude standard data protection clauses with service providers of third countries in which the responsible parties check whether the recipient of the data can maintain the required level of protection. Data will only be transferred to a third country with the consent of the data subject and after he/she has been informed of the risks involved in transferring his/her data to a country that does not provide an equivalent level of protection to that provided by the DPA (Art. 49 | 1 General Data Protection Regulation (GDPR)). For European citizens there is no legal basis in the third country (e.g. USA) to disclose stored data or to object to their storage afterwards.

**Google Fonts:** Google Fonts (Open Font License) may allow tracking. The following data may be transferred: IP address of the user; language settings of the browser or operating system used by the user; name of the browser used; version of the browser; web page from which the request was made; operating system of the user; display resolution of the user.

**Google Maps:** We integrate maps from the Google Maps service by the provider Google LLC Gordon House Barrow St Dublin 4 Ireland or 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA. We have no control over the privacy and security practices of other providers. Therefore, please inform yourself using the provider's website about the data protection declarations provided there. We maintain an online presence on social networks and platforms to communicate with interested parties and users and to inform them about the aerospace industry. When calling up the respective networks and platforms, the terms and conditions and the data-processing guidelines of their respective operators apply. Unless otherwise stated in our data protection declaration, we process user data to the extent that the user communicates with us via social networks and platforms, e.g., posts articles on our online presence, or sends us messages.

**Personal data:** Personal data are considered to be information regarding your identity, e.g., name, address, telephone number, e-mail address. In order to use our website, it is not necessary for you to disclose personal data. We do not actively collect personal information that is considered sensitive. Insofar as you utilize services, as a rule, only such data as we require for the rendering of the services shall be collected. Any further data we ask you for is voluntary information. The processing of personal data is done exclusively for the purpose of the fulfillment of the requested service.

**Purpose:** We use the personal data provided by you exclusively to answer your inquiries, to provide you with access to certain information (e.g., managing director's letter, BDLI forums) or to send you information regarding the aerospace industry. If you do not wish to use this service, you can unsubscribe at any time. Please use the contact details at the end of the data protection declaration /legal notice.

**Purpose limitation:** We shall collect, process and use the personal data that you provide only for the purposes that you have designated. Dissemination of your personal data to third parties shall not be made without your consent. The collection of personal data as well as their dissemination to government institutions and government agencies entitled to receive information shall be made only in accordance with the relevant laws and/or insofar as we are obligated to do so by a court ruling. We are obliged, and we have obligated our commissioned service companies, to maintain confidentiality and to fulfill the provisions of the General Data Protection Regulation and of the German Data Protection Act.

**Right to information:** It is your right to receive information regarding your stored personal data. Please contact: BDLI e.V. Data Protection Department, Friedrichstr. 60, 10117 Berlin, Germany, or send an e-mail to [datenschutz@bdli.de](mailto:datenschutz@bdli.de).

**Right to lodge an objection:** You may revoke your consent for the collection and storage of your personal data at any time. Address: BDLI e.V. Data Protection Department, Friedrichstr. 60, 10117 Berlin, Germany, or send an e-mail to [datenschutz@bdli.de](mailto:datenschutz@bdli.de).

**Security:** We have undertaken technical and organizational security measures to protect your personal data from loss, destruction, manipulation and unauthorized access. Our team and all third parties participating in the data processing have been obligated to maintain data secrecy and fulfill the valid data protection declaration. To prevent misuse of the data by third parties, our security measures are constantly being revised based on technological developments.

**Twitter:** Functions and contents of the Twitter service (offered by Twitter Inc., 1355 Market Street, Suite 900, San Francisco, CA 94103, USA) may be integrated into our online service. This may include, for example, content such as images, videos or text and buttons with which users can express their favor regarding the content or the authors of the content or subscribe to our posts. If the users are members of the Twitter platform, Twitter can assign the call of the above-mentioned contents and functions to the profiles of the users there. data protection declaration: <https://twitter.com/de/privacy>; opt-out: <https://twitter.com/personalization>.

**Use of Facebook social plugins:** On the basis of our rightful interests (i.e., interest in the analysis, optimization and economic operation of our online service as defined in Art. 6 Para. 1 lit. f. GDPR), we use social plugins ("plugins") from the social network facebook.com, which is operated by Facebook Ireland Ltd., 4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland ("Facebook"). The plugins may display interaction elements or content (e.g., videos, graphics or text contributions) and are recognizable by one of the Facebook logos (a white "f" on a blue tile, the term "like", a "thumbs up" sign) or are marked with "Facebook Social Plugin". The list and appearance of the Facebook social plugins can be seen here: <https://developers.facebook.com/docs/plugins/>. When users call up a function of this online service that contains such a plugin, their device establishes a direct connection with Facebook's servers. The content of the plugin is transmitted directly from Facebook to the user's device and embedded into the online offer. Usage profiles can be created from the processed data. We therefore have no influence on the extent of the data that Facebook collects with the help of this plugin, but we inform the user of everything we know in this regard. By integrating the plugins, Facebook receives the information that a user has retrieved the corresponding page of the online offer. If the user is logged in to Facebook, Facebook can assign the visit to his Facebook account. When users interact with the plugins, e.g., by clicking the like button or commenting, the corresponding information is transferred directly from their devices to Facebook and stored there. If a user is not a member of Facebook, it is still possible for Facebook to come to know and store their IP address. According to Facebook, only an anonymized IP address is stored in Germany. The purpose and scope of the data collection and the further processing and use of the data by Facebook as well as the related rights and settings for protecting the privacy of users can be found in Facebook's data-protection information: <https://www.facebook.com/about/privacy/>. If a user is a Facebook member and does not want Facebook to collect information about him or her via this online service and link it to his or her Facebook member data, he or she must log out of Facebook and delete browser cookies before using our online service. Further settings and objection options to the use of data for advertising purposes are possible in the Facebook profile settings (<https://www.facebook.com/settings?tab=ads>) or via the US site <https://www.aboutads.info/choices/> or the EU site <https://www.youronlinechoices.com/>. The settings are platform independent, i.e., they are adopted for all devices, such as desktop computers or mobile devices.

**Questions, suggestions, complaints:** If you have any further questions regarding our data-protection information and the processing of your personal data, please directly contact our data-protection officer. She is also available as your contact person in the event of requests for information/inquiries. **Claudia Schmidt-Nitz, BDLI Friedrichstr. 60, 10117 Berlin, Germany | Tel. +49 30 206240-35 | email: [datenschutz@bdli.de](mailto:datenschutz@bdli.de)**
